

Certificate

Confirmation of testing to provide evidence to legal requirements

CERTIFEL ZA1

Certificate ref. no.:

HG-716

page 1 of 1

Product	Direct electric ceiling heating system
Applicant	Firewall8 Heating Systems Sàrl 14, chemin des Cotteaux, CH-1273 Arzier
Manufacturer	Firewall8 Heating Systems Sàrl 14, chemin des Cotteaux, CH-1273 Arzier
Manufactured at/Factory	Firewall8 Heating Systems Sàrl 14, chemin des Cotteaux, CH-1273 Arzier
Trade-mark	Firewall8
Type/Model	Direct electric ceiling, heating system
Ratings, characteristics	System: 230V~, 50-60Hz, max. 10A, 300-2300W Element: 33VAC, 105W/m IPX1
Standards safety	EN 50366:03 + A1:06 EN 60335-1:02 + A1:04 + A2:06 + A11:04 + A12:06 + A13:08 EN 60335-2-96:02 + A1:04 + A2:09, EN 62233:08 IEC 60335-1(ed.4);am1;am2, IEC 60335-2-96(ed.1);am1;am2 IEC 62233(ed.1)
Standards EMC	EN 55014-1:06 + A1:09, EN 55014-2:97 + A1:01 + A2:08 EN 61000-3-2:06 + A1:09 + A2:09, EN 61000-3-3:08 CISPR 14-1(ed.5);am1, CISPR 14-2(ed.1);am1;am2 IEC 61000-3-2(ed.3);am1;am2, IEC 61000-3-3(ed.2)
Additional information	---

The product has been tested according to aforementioned normative documents assumed to be sufficient to provide evidence to legal requirements for authorities in Switzerland (NEV/VEMV) and EU/EWR (directives).

Results of testing are shown in report number: 09-HG-0095.01 + .10(EMC) + .11(EMC)
